#### From the Registrar:

All Undergraduate and Graduate students intending to graduate at the end of Fall semester 1981 or Interterm 1982 must file Degree Application forms by Monday, October 19, 1981. The form takes time to complete and requires the approval of your department chairperson, so please pick up your form now (in the Registrar's Office). Ask for an unofficial copy of your transcript with the form -- you will need it to complete your application.

Work in Progress:

During the summer months, some work was begun on the roads leading to the upper parking areas. It was planned that this would be completed before the beginning of the Fall Semester. Despite every effort to accomplish the work, unforeseen problems have delayed the project. Your patience and understanding is requested and appreciated if you are inconvenienced until its completion.

Student Placement News

For students who are interested, there are babysitting sign-up lists located in the campus center, first floor humanities, the mail room and on each floor of the dorms. If you wish to be a part of the babysitting service, you must sign up before Sept. 25th. This is a great opportunity to pick up some extra cash.

Students who have financial aid but not college workstudy or service contract and who think they would be eligible (still have unmet need) come to the Student Placement Office if interested in working on campus.

Job Location and Development (JLD)

Check the JLD bulletin board for new off-campus jobs. Also complete a registration form found on this board and turn in to H317 if you are interested in working off-campus.

There is a new time management book available for all students. This 3-ring binder contains the Mount Collegiate planner, the updated Student Handbook, and Campus Ministry Services.

A complimentary book is available for all new students - it is part of the Orientation Package and can be picked up in the Student Development Office. Returning students may purchase the book for \$4.50 in the Student Development Office between Sept. 14th and Sept. 25th. After Sept. 28th, the books will be available in the Bookstore at \$5.00 each.

DA CAMERA SOCIETY

FOR IMMEDIATE RELEASE:

HEAR & SEE "THE ELIZABETHAN LADY"

On Tuesday 27 October at 12:30 p.m., The Elizabethan Trio will present--in music, poetry and prose--a portrait of THE ELIZABETHAN LADY as patron, beloved companion, leader, decorative object, and mistress of the house. Performing in costume, soprano Judith Nelson, harpsichordist Laurette Goldberg, and actress Rella Rossy will project a woman's view of the wit, poetry and high spirits of the age of Shakespeare, Dowland and Byrd into the opulence of the Doheny Mansion's Pompeian Room (on the Doheny Campus).

The Elizabethan Trio combines musical talents of international renown and sound scholarship in history and literature with a strong theatrical flair to present "delightful and extraordinarily authentic recreations...each fusing drama, song and music in a unique synthesis."

MSMC faculty and students are invited to "THE ELIZABETHAN LADY" as guests of the ASB Academic/Cultural Committee and the Da Camera Society. Tickets are available for the asking in the Da Camera Office (H 515), but their number is limited, so make haste and tarry not!

Each week 1,850 donors are needed in Los Angeles and Orange Counties alone. We encourage all of those who are able, to please give blood. Friday, November 13, the American Red Cross Blood Mobile will be at Mount St. Mary's College from 10:00am to 2:45pm in the Rumpus Room. For appointments contact/call: Felicia Lourito - Box 242, 472-9003, Emelyn Arguelles - Box 196, 472-9139, Ellen Kusiak - commuters, and Kathy Holland-Dichter-Faculty/Staff.

#### Parking!

The policy of the College is that all automobiles on the Campus must be clearly marked as a "Visitor" or as a registered vehicle to be allowed to park legally on the grounds of either of Mount St. Mary's College Campuses. To be registered, the owner of a vehicle must fill out a registration form and receive a decal.

Visitors should receive a visitors permit card either from the department with whom they are visiting or from the Switchboard at either Campus. If a visitor blocks a car in any way, it is required that the keys be left with the Switchboard attendant so that the automobile may be moved if necessary.

Persons who visit the Campuses regularly for work or class must have a valid decal or are subject to parking tickets and possible tow-away. The appropriate decal, together with a list of the approved areas for

faculty, students, car-pools (Chalon Campus only), administrators and staff is available in the Buildings and Grounds Office on the Chalon Campus and at the Switchboard in Number 8 on the Doheny Campus. The color of your decal designates the appropriate allocated parking area. For example, no student cars are allowed to park behind the Mary Chapel between 7:00 a.m. and 5:00 p.m.

It should be clearly pointed out that cars parked in "Red Zones" and "No Parking-Tow Away" areas are in direct violation of the College regulations and prove a hazard to all personnel in the event of an emergency or interfere with the smooth functioning of the College's operations. For this reason, cars illegally parked are subject to be towed away without warning.

Please make it easier on everyone and observe all of the parking regulations at all times. Your cooperation is much appreciated.

#### REMINDER: Energy Grants

The deadline for submission of applications for student energy grant awards of up to \$400 has been extended to Wednesday, November 25, 1981 because of the lateness of the initial announcement.

The project need not necessarily be a science project--be creative! (For example, majors in Business, Psychology, Sociology, etc.--THINK!)

PLEASE HELP SUPPORT THIS BILL BY TAKING A FEW MINUTES TO FILL OUT THE POSTCARDS DISTRIBUTED ON CAMPUS THIS WEEK (RESIDENCE DESK, A.S.B. OFFICE AND CAMPUS CENTER).

\*\*\*IF ANYONE HAS HAD SPECIFIC EXAMPLES OF DISCRIMINATION AGAINST STUDENTS IN RENTAL HOUSING, PLEASE CONTACT PEGGY PRIOR OR SUZANNE WEBER IN THE A.S.B. OFFICE (HUMANITIES 201).

### Did You Know .....

Freshman women at woman's colleges are ambitious and are nearly twice as likely as all freshman women to plan to become physicians, lawyers, or Ph.D's? (source: "Women's Colleges - Weathering a Difficult Era with Success and Stamina" by S.N. Bales and M. Sharp)

### Graduation Committee:

Believe it or not, the time is fast approaching for the special "end-of-the-year" activities honoring the Class of '82. We want to make this graduation the best ever, and to this we need volunteers-- both juniors and seniors -- for the committees now being formed.

We do want to keep the various committees to a managable working size, and therefore might not be able to put everyone on their first choice. However, we will attempt to use all volunteers in some facet of the work to be done.

Applications are available in the Intercampus Communication Boxes on the 4th floor and in the Campus Center. If you are interested in serving on either the Core Committee (responsible for overall leadership) or one of the subcommittees, please pick up a form today.

Applications are due by Friday, March 5th, in Father Delaney's office.

Any questions concerning the committees or graduation planning may be directed to Sister James Marien (either via inter-campus mail to Doheny, or by leaving a message at office H 413).

Thank you in advance for your generous response.

### Medical College Admissions Test

The 1982 dates for the Medical College Admissions Test are April 24 and September 11, 1982. Applications may be obtained now from Sr. Miriam Therese, H 324.

#### AUCTION UPDATE

Have you discussed the Auction with your parents and have you identified what items your family could use? Besides the super deluxe truck in the circle and the Corolla that is coming soon, there are exciting items like: a new 15 foot sailboat, an Apple Home Computer and Printer . . . and reasonable silent auction items like one-year memberships in Health Clubs, antiques, many weekend trips, and beautiful handmade items. Select what you can use and get them reasonably and tax-deductible.

IMPORTANT FLASH: We are proud to announce that our auctioneer is MARY ANN STERLING. If she doesn't guarantee a unique, fun-filled way to bid, no one could.

. . . so band together and fix your parents up with other friends parents. Remember: there are five couples to a table. The price is \$25. per person for an entire evening of complimentary cocktails, hor d'oeuvres, dinner and midnight continental breakfast.

Be sure your parents are there to launch the Gala Auction '82.

### CONGRATULATIONS!

The Fine Arts students of 1982 would like to congratulate their faculty on an excellent show. The exhibition you've put together is one that the Art Department can truly be proud of. Great job!

### WE WOULD LIKE TO SHARE. . .

... the results of the Siena Day Questionnaire! But before we do, we'd like to thank you: the response rate for the questionnaire was 30%, which is a very good response rate. A special thank you to all faculty and students.

Now the results. . .

- 1) A majority of the responses indicated that the girls came to the Mount because it had a program they wanted and/or because of the academic reputation.
- 2) An overwhelming number of the responses indicated that many were not familiar with studies regarding the value of women's colleges.
- 3) Deeper personal relationships was one value that many people said they experienced at the Mount that they would not have experienced in a co-ed institution.

We'll save the results of the last question (issues that concern you that you would like the panelists to address) for next week. Once again, thank you for your cooperation.

### RESIDENCE IN 1982-83

HONORS AT GRADUATION

The following students will be eligible for honors at graduation in May, 1982 upon completion of their degree requirements during Spring Semester. The over-all GPA at the end of the Fall semester of the academic year is used in determining honors. To be eligible, the student must have completed 48 letter-graded units at MSMC. The student's grade point average is calculated on the basis of grades earned at Mount St. Mary's College as well as grades transferred into the College at the time of matriculation. Courses at another institution after matriculation are not counted into the cumulative grade point average, with the exception of approved junior year abroad or interterm exchange programs. Congratulations to these students, and to all students who will be earning degrees in May.

THE HILLS ARE ALIVE WITH . . . . . ASPERGILLUS!

Aspergillus fumigatus, that is, On a recent safari senior biology majors and energy researchers Karen Funk and Maria Flores, bagged several samples of soil from the hills surrounding MSMC. Laboratory tests have revealed that the hardiest creature present is a variety of the thermotolerant fungus - Aspergillus fumigatus. Tests in progress indicate that the organism can extract energy from the giant throw-away molecule, cellulose. Meanwhile, senior biochemistry major Janice Hasegawa has isolated a true thermophilic fungus from the grass in front of Mary Chapel. This lovely creature whose first delicate, white, lacelike growth is soon covered by a pink to cinnamon-brown cape of spores, prefers a warm climate (45°C, 113°F) and also thrives on a diet of cellulose. Together, with junior biochemistry major, Julie Sherman, who has been standardizing enzyme assays, the energy researchers hope to unlock the secrets of these creatures' ability to break down the notoriously impregnable cellulose molecule to the universal energy molecule, glucose.

The May 9th Visit to Chester Place, sponsored by the college news office, is contributing \$13,000.00 to a new Chester Place Scholarship Fund for 2-yr, 4-yr and graduate degree students on both campuses.
